Subject: Partnership proposal

Hello,

We are part of the start-up Genius Billionaire Playboy Philanthropist

We are working on a large scale project of an armor with an exoskeleton for the upper part.

Given that we are based on the famous movie of the Marvel franchise, that is Iron Man.

We would be delighted to count you among our partners.

We remain at your disposal to discuss with you.

Kind regards,

Genius Billionaire Playboy Philanthropist
